Rafting & Camping with Tour West

Whether you have been rafting and camping for years or this is your first experience, Tour West makes it easy. All you need to do is bring your personal items in a soft-sided duffle bag and we will provide the rest.

We supply:

- Transportation from Moab to the river
- Boats, Life Jackets, camping gear (cot, sleeping bag, pad, tent, waterproof bags)
- Meals from lunch Day 1 to breakfast Day 4
- Camping toilet facilities
- Beverages – unlimited water & Gatorade. Coffee, tea & hot chocolate in the morning.
- First Aid Kit

Toilet Facilities: Portable toilet is set up at each camp in a private location, available from camp set up to departure.

Physical Recommendations

A river trip is a participatory experience and requires each guest to be reasonably self-sufficient. Please consider carefully any medical or health conditions that would endanger yourself, or others on the trip, or diminish the enjoyment of a wilderness adventure. Minimum recommendations to participate include:

- Being able to firmly grip ropes or handhold provided while running the rapids
- Enough agility to climb on and off the rafts—2–3-foot reach sometimes on wet or slippery conditions
- Wear Class V lifejacket (max 58" chest) required by the National Park Service.
- Ability to navigate uneven terrain on hikes and in camp. Sometimes while carrying your personal gear.
- Ability to tolerate prolonged exposure to environmental conditions & temperatures up to 120 degrees Fahrenheit.

Our principal objective is for you and your fellow guest to have a safe, enjoyable and fulfilling experience. If you have any questions about river rafting and the inherent risks, please contact our office. We do our best to accommodate our clients and ask that you consider these recommendations before you begin a wilderness adventure. If you have any questions about river rafting and the inherent risks, please contact our office.

Weather

We always hope for good weather and usually we get it but you should **be prepared** for all weather and storms. The following chart shows averages in the Cataract Canyon from April through October. Children and some adults tend to get colder in the warmer summer months and need to be prepared for this possibility.

<u>Temperature & Precipitation</u>	<u>Apr</u>	<u>May</u>	<u>June</u>	<u>Jul</u>	<u>Aug</u>	<u>Sept</u>	<u>Oct</u>
Mean Max Temperature	83	92	102	106	103	96	83
Mean Min. Temperature	56	60	71	79	74	70	58
Precipitation (inches)	.38	.22	.38	.78	1.22	.43	.49

Dietary Restrictions

If you have any special dietary requirements please include them on your registration form. Due to limited space and the nature of our buffet style meal service, we are unable to accommodate extreme dietary needs such as Kosher and Vegan. We can accommodate Vegetarian, Gluten Free, Dairy Free diets. For more information, please see our website. Severe Allergies are taken very seriously. Thoroughly describe your allergies and symptoms on your form online. Please be aware this is a wilderness setting and emergency response times are delayed due to the setting. If you have concerns please contact our office. We do ask those with severe allergies to bring 2 epi-pens on your trip.

Travel Considerations:

Please be aware that at Tour West we do our very best to schedule your transportation needs into and out of a remote area where transportation options can be limited. While the transportation companies we contract with to provide these services are in general reliable and on time, there are occasions when our passengers will experience delays. While these delays are beyond our control, we will always do our best to help you get where you need to be in the quickest and safest way possible.

Preparing your Gear

Every person who travels with us is different and has different needs. We do our best to provide the most comprehensive list for what most people need on the river, but you will have to use your judgement on some things. Please remember this is a wilderness setting and our packing list is as comprehensive as possible. If you have any questions about the packing list, please call us!

General Information

BEVERAGES: We provide unlimited Gatorade and water. You're welcome to bring your own soda, juices or alcohol (no glass).

Drinks will be stored by the guides during the day and available to you in the evenings. You can purchase drinks in Moab. Please be aware: We are unable to keep drinks on ice on a wilderness adventure.

VALUABLES: Bring only essentials: photo ID, credit card, cash, No storage available in Moab.

GRATUITIES: Customary tips are 10-12% of the trip cost, given to the trip leader.

LUGGAGE STORAGE: We are unable to store luggage for you in Moab.

CAMERAS & VIDEOS: We encourage you to bring your cameras with you on your trip of a lifetime! Please keep in mind there is a lot of water and sand and you will need to properly protect your camera. If you bring a phone as your camera, we recommend a waterproof case similar to these at Seawag. www.seawagusa.com. If you bring a DSLR we recommend you bring them in a pelican case with a few carabiners to secure it to the raft. Also plan on bringing a portable power bank and a charger as we do not have a way to recharge your cameras. You are welcome to bring a Go Pro Camera. Please make sure you bring a strap for it! Drones are not allowed in the National Parks.

FISHING – You may bring a small collapsible fishing rod. You can fish from the shore but not while the boat is underway. You would be fishing mainly for carp and catfish. Fishing licenses can be obtained through the Utah Fish and Game Website.

REGISTRATION FORM – We require that each passenger taking our trip fill out our registration form. This form will give us more information on how to better serve you while you are traveling with us. Please make sure to include on this form if there are any special physical or medical conditions, we should be aware of.

LIABILITY WAIVER-We require that each passenger sign a liability waiver. Anyone under 18 must also have the signature of their parent or legal guardian. This form must be returned to our office prior to your trip.

CANCELLATION POLICY – Deposits are non-refundable. Cancellations received between 31 and 60 days prior to departure forfeit one half the tour cost. Cancellations between 30 days and the day of your trip lose the entire tour cost. No shows lose entire tour cost. We are firm with this policy and suggest you purchase cancellation insurance. This would help reimburse you in the event of illness or other unforeseen reasons for cancellations. This cancellation policy applies per person.

EMERGENCY INFORMATION – During the season, you may call us after-hours or on weekends at our regular toll-free number (1-800-453-9107). The message will give you the numbers of those you can contact or you can leave a message and we will get back to you as soon as possible. Canyonlands National Park's policy is not to allow the use of helicopters to contact or remove river guests for this type of emergency. Please give our toll-free number to family members and have them call us if there is an emergency while you are on the river.

Frequently Asked Questions

Who will our guides be?

Tour West feels that we have the best guides in the business. Our guides are all whitewater qualified with an average of fifteen years and hundreds of miles of river experience. Each guide is an accomplished outdoors person with wilderness first responder training, a background in natural history and the ability to make each river trip special and memorable.

1. Where and when will I get my river and camping equipment?

Your waterproof duffle bag, small day use dry bag, sleeping bag, sleeping pad, sheet, small water-resistant bag and cup will be available when you meet your guide at the put-in. Your cot and tent will be available at the first night's camp. We recommend you only set up a tent if there is a threat of rain. Nothing beats sleeping under the stars!

2. What items will I have access to during the day?

Every morning your waterproof bag containing your sleeping gear and clothing will be loaded on the boat and packed away for the day. Your small dry bag is used to store any of the items that you will need to get to during the day, such as sun screen, hat, camera, water bottle, etc.

3. What is the menu like?

We take pride in offering well-rounded meals that are very appetizing with sufficient quantities for everyone. Breakfast items include many traditional favorites from pancakes to omelets, fresh fruits and juices. Lunches are a favorite for many with a variety of deli meats and cheeses, salads, chips and cookies. At the end of the day you are ready for a hardy meal expertly prepared under a western sky. You'll have fresh salads, chicken, steak, side dishes, and of course, desserts. All meals include water and Gatorade to drink. NOTE: If you have a special diet or allergies, please inform us of your specific needs so that we can determine how to best accommodate you. Please view our website for in-depth dietary information.

4. Where will I bathe?

You are allowed to bath in the river. Some campsites have great beaches for bathing while others don't so we encourage you to bring baby wipes or face wipes. Leave in conditioner is helpful with longer hair. Lotion is also great after a bath as the air is extremely dry. Soap is only allowed in the main river. We do not recommend you bring solar showers because they are difficult to store and difficult to use on the river.

5. What about bugs and snakes?

The Cataract Canyon is a very friendly place to camp. You can get mosquitoes and we recommend you bring bug spray. Early June trips may like having bug head nets. Snakes and scorpions are seldom seen. Most trips will have the thrill of seeing Desert Big Horn Sheep and many varieties of canyon birds.

6. Can we expect rain?

We never know for sure when it will rain, so even if you are taking a mid-summer trip be sure to bring a two-piece rain suit! Ponchos are not recommended.

7. What are the toilet facilities like on a river trip?

During the day, all urine must go directly into the river. Which means squatting/standing near the river's edge or wading in. There will be pit stops during the day, but if you have to go tell the guide so they can find a good place to pull over. There is a wonderful new device available for women to use in wilderness settings to urinate. Check it out and if you are comfortable, we highly recommend it along with women who have suggested using them on river trips: It is called the <https://www.thepstyle.com/> Available on amazon for \$12. If you need to poop during the day, the guides have a portable toilet system. Each evening, we set up a camp toilet for solid waste, while urine continues to go into the river. At the hand wash station, we have a "key" so you aren't disturbed while using the toilet. The guides will explain the details of the sanitation and bathroom procedures in greater detail during on-river orientation.

For women who may be on their period while on your river trip, it's helpful to plan ahead and pack for the unexpected. If you will be using tampons, bring a 'Go With Your Flow Pack' or several Ziploc bags and plenty of baby wipes. Make sure you keep these supplies handy during the day, in your provided day dry bag. When you change during the day, you can wrap the trash in a baby wipe, put that in a Ziploc and dispose of it in the boat trash system. As you will get wet a lot on your river trip, using pads is not recommended.
